THE SEVEN JAPANESE GODS OF HAPPINESS

According to legend, the seven gods of luck are running
New Year's Day on their „Treasure Ship" (Takarabune)
into the harbor,
to distribute their treasures to worthy people.

This ship carries seven intangible treasures:
Wisdom,
Knowledge,
Experience,
Learning,
Bravery,
prosperity and longevity.

But also five material treasures:
The inexhaustible purse,
the invisible hat,
the lucky cloak,
the wooden hammer of wealth
and the ghost-hunting rat.

Which of these treasures the following cocktails
assigned remains our secret.
Can you guess which treasure you will get?
